Dear Michael Cook:

Your participation at the 2<sup>nd</sup> Annual Clarington Winter WonderLearn helped make it a huge success. Over 1,000 people enjoyed the many activities held at various locations in and around the Courtice Community Complex on February 19<sup>th</sup>.

This exiting event accomplished its main goal – families were learning and having fun together while discovering community resources.

The Clarington Winter WonderLearn planning committee thanks you, and your organization, for donating your time, information and enthusiasm.

If you have any comments or concerns regarding the event it would be great to hear from you. I can be reached at 905-623-7322 or [tjohnson@clarington-library.on.ca](mailto:tjohnson@clarington-library.on.ca)

We look forward to doing this again in 2006.

Sincerely,

Tammy Johnson  
Clarington Winter WonderLearn Committee
